MEMORANDUM FOR: Acting Director of Central Intelligence

SUBJECT: Delegation of OSA-DD/R Contracting Officer Authority

1. This memorandum, submitted for your approval, up-dates the previously existing Delegation of Authority to the EPD-DD/P Contracting Officer, in such manner as to give effect to recent organizational establishment of the DD/R and the reorganizational establishment of the Office of Special Activities, DD/R, as successor organization to the Development Projects Division, DD/P. It also recognizes the recent establishment of the National Reconnaissance Office, under the "charter" for which CIA is to act as Executive Agent for [redacted] of the National Reconnaissance Program. Otherwise, no changes are made in the previously delegated Contracting Officer Authority for these Special Projects as made by Mr. Dulles.

25X1A

2. Upon your approval of this memorandum, the undersigned DD/R, will designate [redacted] (who, since 21 September, 1960, has been designated the EPD-DD/P Contracting Officer) as the OSA-DD/R Contracting Officer, together with the right to further redelegate to [redacted] such Contracting Office authority as deemed necessary and appropriate for accomplishing covert procurement in furtherance of the objectives and purposes of the National Reconnaissance Office and its National Reconnaissance Program. [redacted] has already been assigned, and is in place, [redacted], to be the Agency's resident OSA-DD/R Contracting Officer with General Greer in Inglewood, California.

(1) That each such contract is authorized in a duly approved Activity Program or budget, and

(2) That such contract, contract amendment, or other procurement document does not raise any significant question of procurement policy. If such contract or other document does, in the judgment of the Contracting Officer, raise a policy question, it shall be submitted, together with a brief written statement of points on which policy guidance is required, to the DD/R for approval, or for reference by him to the DDJ or DDJI for approval.

b. In obligating non-Agency funds, including those of the National Reconnaissance Office, the OIA-DD/R Contracting Officer has authority to sign all contract documents which obligate transferred non-Agency funds, regardless of amount, provided:

(1) The contract in question is within a program which has received required Agency Activity Program approval,

(2) Funding is certified available from the department, agency or office on behalf of which the procurement is being undertaken, and,

(3) A specific requirement for the execution of the contract in question has been received from an authorized representative of that department, agency or office.
